

Dear Flying Partner,

As flight attendants, we work in a high profile industry. The rules that regulate our workplace and the laws that protect it are dictated by Congress and the Federal Aviation Administration. That's why it's so important to make our voices heard in Washington, D.C.

Flight attendants have a unique perspective in our industry. AFA voices the concerns of flight attendants on issues that impact our workplace and the safety and stability of our industry.

FlightPAC, the largest bipartisan political action committee exclusively for flight attendants, provides AFA members the opportunity to have a voice in Congress and the FAA.

I urge you to join me in supporting FlightPAC. Together, we will continue to win crucial victories on Capitol Hill and beyond.

In Solidarity,
